The diagram illustrates the final assembly steps for the front panel. It shows the front panel being attached to the main unit. A separate view shows the front panel being adjusted vertically, with arrows indicating the direction of movement and a '+' sign for upward and a '-' sign for downward adjustment. A callout 'A' points to the adjustment mechanism. Another callout 'B' points to the front panel. A callout 'C' points to the adjustment mechanism. A callout 'D' points to the adjustment mechanism.
